OFFICE OF THE SECRETARY, STORES PURCHASE COMMITTEE, "UNITED INDIA" BUILDING, BANGALORE.

Dated 30th August 1952.

To

All the Indent Officers,

Local Indent No. 11436.

Subject :—Resoling of Old Tyres.

Sir,

No. S.P.C. 22913-23012. Referring to the issue of a rate contract under Local Indent No. 11436, for resoling old tyres applicable to all Government Departments, I write to state as follows :—

It has been brought to the notice of this office that some of the departments possessing M. T. Vehicles auction or sell the old tyres to the public.

A rate contract is let out for getting the old tyres resoled as it is economical to use the old tyres after getting them resoled, instead of purchasing new tyres. Old tyres which are in your possession may be got resoled, before effecting the purchase of new tyres or auctioning them, unless they are found completely unserviceable.

Yours faithfully,
